How to use the self-service terminal?

In case the touchscreen is black, wake it up by tapping it.

1. Choose „Ausleihe/Check out“.

2. Scan the barcode on the back of your library card.
3. Scan the barcode on the last page of the book.

4. Place book into the V for processing. The title will be marked green when processed and you will hear a clicking sound.

5. To finish and close your account tap „Fertig/Finished“.
